

Philips Viva Collection
Juicer Mixer Grinder

3 step easy juicing

Turbo power motor
Blend and carry sipper

HL7580/00

600W

Super convenient, Super fresh

Retention of antioxidants for 60 minutes*

Juicing made easy in three steps! New Philips juicer removes the hassle of multiple locking and other attachments. The juicer is powered with 600W turbo power motor which supports juicing & blending of combination of fruits and vegetables.

Turbo torque motor for maximum juice extraction

- continuous processing of even tough ingredients
- Higher torque density motor support efficient juicing
- Powerful 600W motor tested for high endurance
- Speed settings for juicing and grinding performance

Nutri-juicer jar for easy juicing

- 3 step integrated design facilitates easy fitment
- Drip-free spout
- 3- step blade technology for blending of smoothies
- High performance sieves & Jars

Quick Clean

- Dish wash safe accessories
- Fewer parts and attachments for easy cleaning
- Less groove design for easy cleaning and maintenance

PHILIPS

Highlights

Sturdy and compact

The new and compact design and shape makes it user friendly while making it easy to store in the kitchen. Ergonomically designed body structure provides sturdy operation while grinding tough ingredients

Higher torque density motor

Turbo power motor supports maximum extraction of juice from even tough ingredients. This powerful motor supports continuous juicing of hard fruits and vegetables up to 1000Kgs* under conditions 1 minute juicing and 2 minutes cleaning time. Additionally, the motor is tested for 5 years life and gives advantage of locked rotor motor wattage up to 1600W.

Powerful 600W motor tested

Turbo power motor supports maximum extraction of juice from even tough ingredients. This powerful motor supports continuous juicing of hard fruits and vegetables up to 1000Kgs* under conditions 1 minute juicing and 2 minutes cleaning time. Additionally, the motor is tested for 5 years life and gives advantage of locked rotor motor wattage up to 1600W

Nutri-Juicer Jar

3 easy steps for easy juicing 1) Place the Nutri-Juicer jar on the base unit and rotate clockwise to lock 2) Press the cutter sieve on the coupler and push down firmly 3) Place the Nutri-Juicer lid, rotate clockwise to lock and start juicing

Drip-free spout

Nutri-juicer jar comes with round chute for easy feeding of fruits and vegetables and drip-free stop spout giving hassle free juicing experience.

Dish wash safe accessories

Dish wash safe accessories

Quick Clean

Fewer parts and attachments makes juicing experience a delight. Most of the parts of juicer have less grooves and sharp edges so that it is easy to clean and maintain.

easy cleaning and maintenance

Less groove design for easy cleaning and maintenance

Specifications

Weight and dimensions

- Dimensions of packaging (LxWxH): 485x315x385 mm
- Weight incl. packaging: 5.4 kg
- Feeding tube diameter: 58 mm

Country of origin

- Made in: India

Technical specifications

- Cord length: 1.2 m
- Voltage: 230 V
- Power: 600 W
- Capacity blender jar: 1.25 L
- RPM blender (max): 20 000 r/min
- No. of Jars: 2 stainless steel Jars + 1 blender Jar + 1 blend & carry jar
- Jars Specifications: 0.75 L / 0.33 L
- Working capacity jar: 0.4 L / 0.2 L
- Capacity blend & carry Jar: 1.0 L
- Frequency: 50 Hz

General specifications

- Overload Protector
- Non-slip feet
- Number of speed settings: pulse + 3 speed
- Pulse

- Removable Blade for blend & carry jar
- Handles for Chutney Jar
- Juicer locking Mechanism: Rotation lock

Accessories included

- Detachable Spout
- Jar
- Blend & carry jar with sipper
- Pusher
