A healthier way to fry**

- Dishes crispy on the outside & tender on the inside
- Airfryer experts for 10+ years
- Time and energy efficient
- Healthy frying with Rapid Air technology

PHILIPS

Highlights

Rapid Air technology

Rapid Air Technology, with its unique starfish design, swirls hot air to create delicious foods that are crispy on the outside and tender on the inside, with little to no added oil.

Air is the new oil

The Philips Airfryer 5000 series XXL Connected uses hot air to cook your favourite foods to crispy perfection.

Tasty Airfryer recipes

Discover hundreds of mouthwatering Airfryer recipes that are tasty, healthy, and fast to make. The recipes in the NutriU app are curated by nutritional experts for everyday cooking.

Personalized recipes

Receive daily recipe recommendations that suit your family's preferences. The more you use NutriU, the better it can tailor delicious recipe ideas to your needs. Get inspired by other cooks, and follow people with similar tastes***.

Touch screen with 7 presets

Touch a button and cook. Preset programs include frozen snacks, fresh fries, meat, fish, chicken drumsticks, cake and even grilled veggies.

Keep warm function

Enjoy your meal whenever you're ready. Hit the Keep Warm mode, and your food will stay at the ideal temperature for up to 30 minutes.

13-in-1 Cooking functions

The Philips Airfryer opens up a world of possibilities: fry, bake, grill, roast, dehydrate, toast, defrost, reheat, and many more.

Time and energy efficient

Philips Airfryers work more efficiently to save you time and energy by cooking delicious meals with up to 70% less energy and up to 50% faster than a traditional oven.****

Homemade. Made easy.

Unleash the full potential of your Airfryer to cook meals that are tastier and healthier. Explore time-saving features and strengthen your cooking skills to make homemade meals that you and your family love, every day.
