- Dimensions of product (LxWxH): 234 x 259 x 98 mm
- Weight incl. packaging: 2.1 kg

Country of origin

- Made in: China

Technical specifications

- Cord length: 0.7 m
- Power: 700 W
- Voltage: 230 V
- Frequency: 50 Hz

Design and finishing

- Color(s): Black with metallic finish

General specifications

- Cord storage
- Power-on light

Service

- 2-year worldwide guarantee

Sustainability

- User manual: 100% recycled paper
- Packaging: <g>> 90% recycled materials

Highlights

Non-stick plates

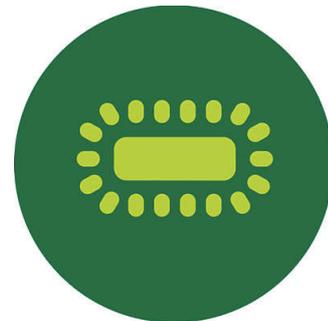

The non stick plates helps in easy cleaning by supporting easy removal of sandwiches post toasting.

Secured locking mechanism

The push down lock mechanism makes it easy to open/close for complete safe operation. The ergonomically designed cool touch handle supported with handle lock allows easy locking/unlocking of the product.

Light Indicator

The red light indicates the unit is turned on. Green light indicates the plates have been preheated and the breads can be put in.
