Improves gum health up to 100%*

*more than manual brushing

Provides superior plaque removal and gum care in an easy-to-use power toothbrush to help prevent and reduce the early signs of gum disease while offering your most comfortable brushing experience

Improves gum health better vs. a manual toothbrush

- Sonicare dynamic cleaning action drives fluid between teeth
- Removes up to 6X more plaque along the gumline
- Better than a manual toothbrush for gingivitis

Guides you to follow dentist recommendations

- SmarTimer helps you meet recommended brushing time
- Quadpacer interval timer encourages thorough brushing

Offers a customized brushing experience

- Three intensity settings for a gentle experience

Recommended by dental professionals world wide

- Proven to improve gum health 3 ways
- Safe on orthodontics, dental work and veneers

Highlights

Improves gum health 3 ways

Clinically proven to improve gum health three ways: reduces redness, swelling, bleeding (sites)

Prevents & reduces gingivitis

With superior plaque removal along the gum line, this toothbrush can help reduce gingivitis up to 100% better than a manual toothbrush in just two weeks

Three intensity settings

With three customizable intensity settings (low, medium & high) you can select the right power level to ensure that brushing along the gumline is comfortable. After 1.5 seconds of brushing, you will have to push twice on button to switch mode. Once to pause and second to switch.

Up to 6x better plaque removal

Removes up to 6X more plaque along the gumline than a manual toothbrush.

Sonic technology

Our sonic technology creates a unique dynamic cleaning action that drives fluid deep between teeth and along the gumline for a thorough-yet-gentle clean

SmarTimer

This Philips Sonicare power toothbrush features a special SmarTimer to help you meet the dentist-recommended brushing time of two minutes

Quadpacer

Features a Quadpacer interval timer to help encourage thorough brushing of the entire mouth. The toothbrush beeps every 30 seconds, signifying it's time to move to another area of the mouth.

Safe and gentle

The gentle motion of this Philips Sonicare power toothbrush is safe for dental work, including orthodontics, implants and veneers, so you can brush without worry.
