Offers a customized brushing experience

- 6 customizable settings
- Clean and White Mode: proven to remove stains

Guides you to follow dental recommendations

- Quadpacer interval timer encourages thorough brushing
- Two-minute timer helps ensure recommended brushing time

Highlights

Removes up to 7x more plaque

Removes up to 7 times more plaque from hard to reach places than a manual toothbrush.

Whitens teeth

This Philips Sonicare toothbrush removes up to 100% more stains for whiter teeth in just 1 week.

Reach deeper and go further

This Philips Sonicare toothbrush head features extra-long, high-density bristles to target hidden plaque caught deep between teeth and other hard-to-clean areas.

Clean and White mode

2 minute Clean mode offers the ultimate in plaque removal (Dental professional recommended brushing time). White mode removes surface stains, brightens and polishes teeth. Removes everyday stains, such as coffee, tea, tobacco and red wine. Whitens teeth by 2 shades in just 2 weeks.

6 customizable settings

Philips Sonicare Stain Removal toothbrush allows you to mix and match modes (Clean mode, White mode) and 3 intensities for maximum comfort and your best clean.

Maximized sonic motion

Philips Sonicare's advanced sonic technology pulses water between teeth, and its brush strokes break up plaque and sweep it away for an exceptional daily clean.

Improves gum health

This Philips Sonicare electric toothbrush provides optimal cleaning between teeth and along the gumline for improved gum health in just two weeks.

Quadpacer

30 seconds interval timer indicates when you have completed each quadrant of your mouth and signals for you to move on resulting in more consistent cleaning throughout your mouth

SmartTimer

2-minute timer on this Philips Sonicare electric toothbrush helps ensure dental professional recommended brushing time
