Highlights

Safe and gentle

Philips Sonicare is a gentle electric toothbrush for braces (brush heads wear out sooner when used on braces), and is safe for dental restorations (fillings, crowns, veneers) and periodontal pockets, too.

SmarTimer

2-minute timer on this Philips Sonicare electric toothbrush helps ensure dental professional recommended brushing time

Angled brush head neck

The uniquely angled brush head neck of this toothbrush head makes it easier to reach back teeth, removing plaque in those hard-to-reach areas.

Soft Grip

The soft grip helps you better control your Sonicare toothbrush and adds comfort.

Patented Sonic technology

Sonicare electric toothbrush's unique dynamic action gently and effectively reaches deep between teeth and along the gumline.
