## Better plaque removal

Sonicare's unique dynamic cleaning action gently and effectively reaches deep between teeth and along the gumline.

### **Guides you to follow dental recommendations**

- Two-minute timer helps ensure recommended brushing time
- Quadpacer interval timer encourages thorough brushing

### **Provides a superior clean**

- Sonicare dynamic cleaning action drives fluid between teeth
- Angled brush head neck for better reach to back teeth

### **Proven to improve oral health**

- Clinically proven safe and gentle

### **Offers a customized brushing experience**

- Easy-start program to acclimate to the Sonicare experience

# Highlights

## Safe and gentle

Philips Sonicare is a gentle electric toothbrush for braces (brush heads wear out sooner when used on braces), and is safe for dental restorations (fillings, crowns, veneers) and periodontal pockets, too.

## Sonic technology

Philips Sonicare electric toothbrush's unique dynamic action gently and effectively reaches deep between teeth and along the gumline.

## SmarTimer

2-minute timer on this Philips Sonicare electric toothbrush helps ensure dental professional recommended brushing time

## Angled brush head neck

The uniquely angled brush head neck of this toothbrush head makes it easier to reach back teeth, removing plaque in those hard-to-reach areas.

## Easy-start program

Gently increases power over first 14 uses to ease into the Philips Sonicare electric toothbrush experience

## Quadpacer

30 seconds interval timer indicates when you have completed each quadrant of your mouth and signals for you to move on resulting in more consistent cleaning throughout your mouth

# Specifications
