Philips Zoom In-Office Procedure Kits

For use with Philips Zoom WhiteSpeed Lamp, Zoom 2

With the input of hundreds of Philips Zoom users, Philips has made administering the Philips Zoom whitening system easier, faster and safer than ever before.

Customized for comfort

- Adjustable intensity settings

Your most confident smile now

- Your maximum whitest smile
- Light-activated technology for powerful whitening

Highlights

Adjustable settings

Unlike some other whitening systems, Philips Zoom WhiteSpeed has adjustable intensity settings and can be customized to eliminate sensitivity to maximize your comfort. In fact, over 90% of people surveyed experienced little to no sensitivity with Philips Zoom WhiteSpeed lamp.

Impressive results fast

Why wait for results when you can have whiter teeth now? With Philips Zoom WhiteSpeed lamp, you can achieve your whitest smile in just one 45 minute visit to your dentist's office.

Light-activated technology

Unlike many other systems, Philips Zoom WhiteSpeed uses a proprietary LED light to accelerate whitening for maximum results in minimal time.

Specifications

Performance

Whitening results: Maximum whiteness in 45 min.
