Highlights

Age 7+

The Philips Sonicare For Kids standard toothbrush head features a contoured profile to fit your child's teeth age 7+ and soft bristles for a gentle cleaning experience. Also features rubber moulding on the back of the brush head for safer, more pleasant cleaning. Also available in a smaller compact size for Kids age 4+.

Better check-ups guaranteed

The Philips Sonicare For Kids brush head is clinically proven to provide superior plaque removal compared with a manual toothbrush. Start your kids off with more protection from decay and more pleasant dental visits. Better check-ups guaranteed or your money back.

Superior cleaning in seconds

Our sonic power enables you to take full advantage of the limited amount of time your kids spend brushing as they build healthy habits and perfect their brushing technique.

Maximised sonic motion

Philips Sonicare's advanced sonic technology pulses water between your teeth, and its brush strokes break plaque up and sweep it away for an exceptional daily clean.

Click-on brush head system

The Philips Sonicare For Kids brush heads click on and off your brush handle for a secure fit and easy maintenance and cleaning.

Better oral healthcare

Like all authentic Philips Sonicare branded brush heads, this brush head is safe on teeth and gums. Each brush head has been quality tested for exceptional performance and durability.
