## Better reach for a better clean

The only angled Sonic brush for a better reach and a better clean. Sonicare's unique dynamic cleaning action reaches deep between teeth and into hard-to-reach areas, while massaging gums for a brushing experience unlike any other.

### **Better reach for a better clean**

- Patented dynamic cleaning action
- Contoured bristles
- Slim, angled brush neck

### **Clinically proven benefits**

- Naturally whiter teeth
- Clinically proven safe and gentle
- Improves gum health in only two weeks

### **Additional features**

- SmartTimer encourages 2-minute brushing time
- Easy-start to acclimate to the Sonicare experience
- Quadpacer 30-second interval timer encourages even brushing
- Dual Speed Control

# Highlights

## Patented dynamic cleaning action

Gently and efficiently reaches between teeth and along the gumline.

## Contoured bristles

Extra-soft end-rounded bristles are gentle on teeth and gums

## Slim, angled brush neck

Helps clean hard to reach areas.

## Naturally whiter teeth

Clinically proven to significantly reduce coffee, tea and tobacco stains for naturally whiter teeth.

## Safe and gentle

Philips Sonicare is a gentle electric toothbrush for braces (brush heads wear out sooner when used on braces), and is safe for dental restorations (fillings, crowns, veneers) and periodontal pockets, too.

## Improves gum health

This Philips Sonicare electric toothbrush provides optimal cleaning between teeth and along the gumline for improved gum health in just two weeks.

## Easy-start

Gently increases power over first 12 uses, to ease into the Sonicare experience

## Quadpacer

Quadpacer 30-second interval timer encourages even brushing

## Dual Speed Control

Dual Speed Control
