HX6631/41

Healthier gums in 2 weeks*

*than a manual toothbrush

Provides superior plaque removal and exceptional clean between teeth to improve your gum health.

Provides a superior clean you can see and feel

- Sonic technology for better oral health
- Removes up to 7x more plaque between teeth

Offers a customized brushing experience

- Three intensity settings for a gentle experience

Recommended by dental professionals world wide

- Safe on orthodontics, dental work and veneers

Guides you to follow dentist recommendations

- SmarTimer helps you meet recommended brushing time
- Quadpacer interval timer encourages thorough brushing

Highlights

Three intensity settings

With three customizable intensity settings (low, medium & high) you can select the right power level to ensure that brushing along the gumline is comfortable. After 1.5 seconds of brushing, you will have to push twice on button to switch mode. Once to pause and second to switch.

Reaches deep between teeth

Philips Sonicare 3 Series gum health sonic toothbrush reaches deep between teeth to provide superior plaque removal. It is clinically proven to remove 7x more plaque between teeth than a manual toothbrush.

Sonic technology

Unlike a traditional electric or power toothbrush, Philips Sonicare features a patented sonic technology. Sonicare's unique dynamic cleaning action drives fluid between teeth, gently and effectively removing plaque interdentally and along the gum line.

Safe and gentle

The gentle motion of this Philips Sonicare power toothbrush is safe for dental work, including orthodontics, implants and veneers, so you can brush without worry.

Quadpacer

Features a Quadpacer interval timer to help encourage thorough brushing of the entire mouth. The toothbrush beeps every 30 seconds, signifying it's time to move to another area of the mouth.

SmarTimer

This Philips Sonicare power toothbrush features a special SmarTimer to help you meet the dentist-recommended brushing time of two minutes
