Highlights

Helps reduce cavities

Provides better plaque removal and access to back teeth; brushing twice a day every day with this brush can help reduce cavities

Safe and gentle

The gentle motion of this Philips Sonicare power toothbrush is safe for dental work, including orthodontics, implants and veneers, so you can brush without worry.

Smartimer

This Philips Sonicare power toothbrush features a special Smartimer to help you meet the dentist-recommended brushing time of two minutes

Removes up to 2x more plaque

This brush head removes up to 2 times more plaque than a manual toothbrush

Better access to back teeth

This plaque-removing toothbrush has a slim, angled brush head which provides better access to back teeth and hard-to-reach places.

Quadpacer

Features a Quadpacer interval timer to help encourage thorough brushing of the entire mouth. The toothbrush beeps every 30 seconds, signifying it's time to move to another area of the mouth.

Sonic technology

Our sonic technology creates a unique dynamic cleaning action that drives fluid deep between teeth and along the gumline for a thorough-yet-gentle clean.

EasyStart

The EasyStart feature adjusts the power level of the toothbrush over the first 14 uses to help you get used to the Sonicare experience, streamlining the transition from a manual toothbrush
