Highlights

Secured locking mechanism

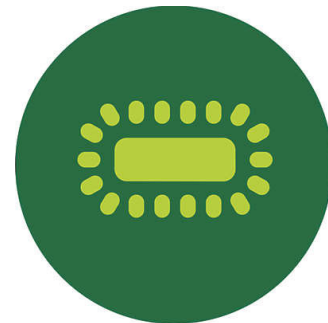

The push down lock mechanism makes it easy to open/close for complete safe operation. The ergonomically designed cool touch handle supported with handle lock allows easy locking/unlocking of the product.

Non-stick plates

The non stick plates helps in easy cleaning by supporting easy removal of sandwiches post toasting.

Light Indicator

The red light indicates the unit is turned on. Green light indicates the plates have been preheated and the breads can be put in.
