Highlights

Better access to back teeth

This plaque-removing toothbrush has a slim, angled brush head which provides better access to back teeth and hard-to-reach places.

Better in hard-to-reach areas

The slim, angled neck and easy-grip handle of this toothbrush helps with better cleaning in hard-to-reach areas than a manual toothbrush.

Sonic technology

Our sonic technology creates a unique dynamic cleaning action that drives fluid deep between teeth and along the gumline for a thorough-yet-gentle clean.

EasyStart

The EasyStart feature adjusts the power level of the toothbrush over the first 14 uses to help you get used to the Sonicare experience, streamlining the transition from a manual toothbrush.

Quadpacer

Features a Quadpacer interval timer to help encourage thorough brushing of the entire mouth. The toothbrush beeps every 30 seconds, signifying it's time to move to another area of the mouth.

Safe and gentle

The gentle motion of this Philips Sonicare power toothbrush is safe for dental work, including orthodontics, implants and veneers, so you can brush without worry.

SmarTimer

This Philips Sonicare power toothbrush features a special SmarTimer to help you meet the dentist-recommended brushing time of two minutes.
