## Whiter and healthier teeth for a brighter smile \*than a manual toothbrush

Offers you superior plaque removal at the push of a button

### Proven to improve oral health

- Philips Sonicare toothbrush helps whiten teeth
- Philips Sonicare technology helps brighten your smile

### Recommended by dental professionals world wide

- Better plaque removal to help reduce cavities

### Innovative technology

- Philips Sonicare's advanced sonic technology

### Designed around you

- Easy start program builds your Philips Sonicare routine
- Timers encourage thorough 2 minutes of brushing

# Highlights

## Helps whiten teeth

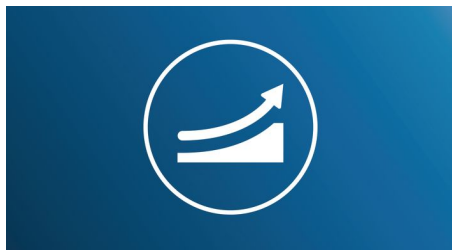

This Philips Sonicare electric toothbrush helps to remove and reduce stains on your teeth for a brighter smile.

## Helps reduce cavities

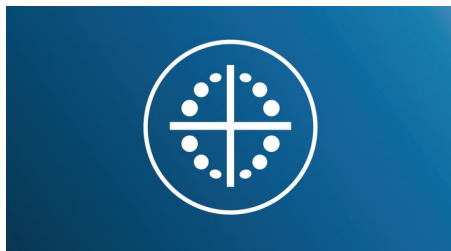

Provides better plaque removal and access to back teeth; brushing twice a day every day with this brush can help reduce cavities

## Ease into your new routine

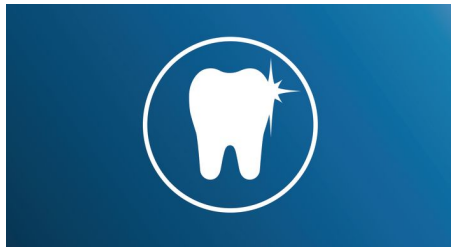

Starting something new can take some getting used to. Our easy-start program gives you the option of a gradual, gentle increase in brushing power with the first 14 uses with your new toothbrush.

## QuadPacer and Smartimer

It takes just 2 minutes to thoroughly brush your teeth. Our QuadPacer lets you know when you've spent the optimal amount of time on each section of your mouth while our Smartimer signals when your total time is up. Together they help you reach your recommended brushing time, every time.

## Gentle daily whitening

Naturally whiten teeth with our unique sonic technology. This brush head helps to remove everyday stains from food and drink so you can gently brighten your smile each time you brush.

## Philips Sonicare technology

Philips Sonicare's advanced sonic technology pulses water between teeth, and its brush strokes break up plaque and sweep it away for an exceptional daily clean.
