## The most powerful steam for the fastest ironing\* with ultra-light iron

PerfectCare Elite is Philips' best and most efficient steam generator iron. With OptimalTEMP technology, you can now iron everything from jeans to silk with no temperature setting needed. Guaranteed no burns on all ironable garments.

### **No temperature setting needed; no burning, guaranteed**

- Go from ironing jeans to silk; no need to change temperature setting
- Safe to leave the hot soleplate on the ironing board

### **Fast ironing with continuous powerful steam**

- Powerful steam for ultimate crease removal
- Easy and efficient descaling system
- Philips' best gliding and most scratch-resistant soleplate
- Save energy with ECO mode

### **Ultimate ironing experience**

- Lightweight and comfortable to handle
- Large detachable water tank for easy refilling
- Safe and secure carry lock
- Automatic switch-off for safety and energy saving

# PHILIPS

# Highlights

## Ultra-powerful steam

An ultra-fast ironing experience can be yours with revolutionary technology. The powerful and continuous steam tackles even tough creases, and thicker fabrics are smoothed out with ease and speed. Plus there's an extra steam boost if needed, perfect for vertical steaming or stubborn creases.

## OptimalTEMP technology

With OptimalTEMP technology you'll no longer have to waste time changing temperature settings, waiting for the temperature to adjust or pre-sorting clothes. Iron all fabrics, from jeans to silk, with no burning guaranteed thanks to the perfect combination of temperature and continuous powerful steam.

## Safe rest

Innovative OptimalTEMP technology guarantees no burning on any ironable fabric. As well as the reassurance this provides whilst ironing, it also means you can leave the hot iron soleplate directly on your cotton ironing board without causing any damage. This helps to reduce any discomfort to your wrists, as you won't need to lift the iron to and from its base as often.

## Ultra-lightweight iron

Your steam generator iron is amazingly light and comfortable to handle. It glides easily over your garments, removes the toughest creases in no time and reduces strain on your wrist. It also makes vertical steaming very easy and effective: you can now comfortably and effectively remove the creases in your delicate items, such as silk blouses, dresses and jackets, and even difficult-to-iron garments with pleats, decorations or buttons.

## 1.8 l detachable water tank

The detachable water tank allows you to easily refill anytime without stopping the appliance. It has a large filling hole so you can simply fill the water tank under the tap. It has a 1.8 l capacity, so you get the convenience of up to 2 hours of continuous use, with no need to top up the tank.

## Easy De-Calc Plus

Regular descaling protects your iron and ensures you'll continue to get the very best steam performance. The exclusively designed and ideally positioned Easy De-Calc Plus function provides the ideal way to get rid of limescale and extend the lifespan of your steam generator iron. The iron will remind you with both light and sound when it's time to clean and descale. Then when your appliance is cold, simply remove the Easy De-Calc knob, collect the dirty water and scale into a cup and discard.

## Steam generator iron

Max. 7.5 bar pressure Up to 520 g steam boost, 1.8 l water tank capacity, Detachable water tank

# Specifications

### Easy to use

- Water tank capacity: 1800 ml
- Heat-up time: 2 min
- Safe on all ironable fabrics: Even delicates like silk
- Soleplate gliding performance: 5 stars
- Safety auto off
- Soleplate name: T-ionicGlide
- Detachable water tank
- Low water alert
- Refill anytime during use
- Tap water suitable
- Power cord length: 1.8 m
- Extra-stable heel rest
- Hose length: 1.7 m
- Precision steam tip
- Ready to use: Light indicator, Sound indicator
- Soleplate scratch resistance: 5 stars
- Extra-large filling hole

### Technology

- OptimalTEMP technology
- Cyclonic steam chamber
- For all ironable fabrics
- No burns
- No temperature settings needed
- Smart Control Processor

### Fast crease removal

- Pressure: Max. 7.5 bar
- Power: Max 2700 W
- Continuous steam: Up to 155 g/min
- Steam boost: Up to 520 g

- Vertical steam
- Voltage: 220 - 240 V
- Variable steam levels
- Ready to use: 2 min
- Steam-on-demand

### Scale management

- Descaling and cleaning: Easy De-calc Plus
- Descaling reminder: Light, Yes

### Storage

- Carry lock: For transportation and safety
- Cord storage: Cord storage compartment, Velcro fix
- Hose storage: Hose storage compartment

### Size and weight

- Packaging dimensions (W x H x D): 31 x 35 x 51 cm
- Weight of iron: 0.8 kg
- Product dimensions (W x H x D): 23.3 x 28.5 x 45.3 cm
- Weight of iron + base: 5.1 kg

### Green efficiency

- Energy saving mode
- Product packaging: 100% recyclable
- User manual: 100% recycled paper

### Guarantee

- 2 year worldwide guarantee
