

Philips PerfectCare Expert
Plus
Steam generator iron

Max 7.5 bar pressure

Up to 480g steam boost
1.8L detachable watertank
Ultra-light iron

GC8942/20

Incredibly light and powerful

for speed and comfort

PerfectCare Expert Plus is designed for your comfort and convenience. Ultra-light and easy to handle, but still with powerful steam to achieve great results faster. With OptimalTEMP technology to guarantee no burns on all ironable garments.

No temperature setting needed, guaranteed no burn

- OptimalTEMP technology, no temperature settings required
- No burns – guaranteed

Fast ironing with continuous powerful steam

- Save energy with ECO mode
- Powerful steam for ultimate crease removal
- Easy and efficient descaling system for lasting performance
- SteamGlide Advanced soleplate, ultimate gliding & durability

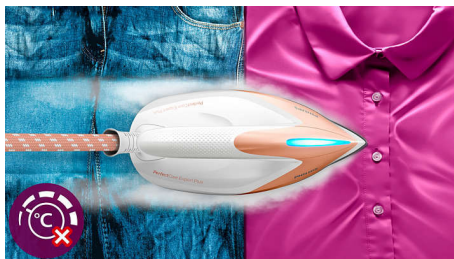

Extra convenience

- Ultra-light weight and comfortable iron to handle
- Large 1.8L detachable water tank for easy refilling
- Automatic shut off when iron is left unattended
- Carry lock for safe and easy transport

PHILIPS

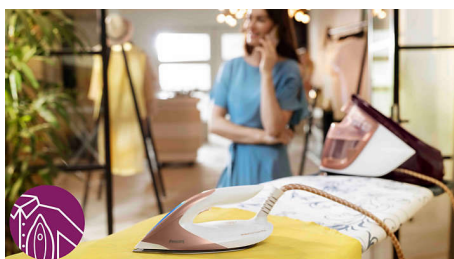

Highlights

No temperature setting needed

Iron everything from silk to jeans without adjusting the temperature. Thanks to OptimalTEMP, no dial or settings are needed. So there's no more pre-sorting the laundry, or waiting for the iron to heat up and cool down. You're ready for any fabric, anytime.

No burns – guaranteed

Thanks to OptimalTEMP technology, we guarantee this iron will never cause burns to any ironable fabric. You can even leave it resting face down on your clothes or ironing board. No burns, no shine. Guaranteed.

Ultra-powerful steam

Strong, continuous steam tackles even the thickest fabrics with ease. Watch stubborn creases melt away with an extra steam boost just where you need it. This extra steam is perfect for vertical steaming to refresh clothes and curtains, too.

Ultra-light weight iron

The iron is amazingly light and comfortable to handle, gliding easily and reducing wrist strain. Its minimal weight also makes it easy and effective for vertical steaming of curtains and hanging clothes.

SteamGlide Advanced soleplate

Our superior SteamGlide Advanced soleplate delivers smooth gliding performance on any fabric. Its stainless steel base is twice as hard as a aluminum, and our patented 6-layer coating with its advanced titanium layer effortlessly glides on any fabric for the fastest results.

Easy De-Calc

Regular descaling protects your iron, extends its lifetime, and ensures the best steam performance. Our exclusive Easy De-Calc system collects limescale continuously with an indicator light to tell you when it needs

emptying. Simply remove the plug and let the water and scale particles flow out.

1.8L detachable water tank

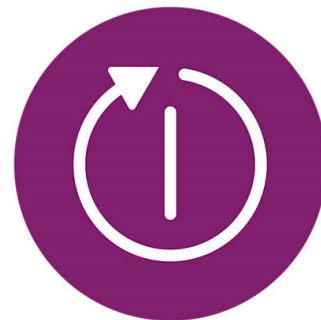

1.8-liter transparent tank gives you up to 2 hours of continuous use. When the water tank is empty, you will be reminded by the indicator light and you can refill easily at any time under the tap through the large filling door.

Safety carry lock

Lock your iron securely to the base station for easy carrying around the house and to reduce the risk of accidentally touching the hot soleplate.

safe and easy auto shut off

The automatic shut off function automatically switches off your steam generator iron if it has not been used for a few minutes. This saves energy and gives you peace of mind.

Specifications

Easy to use

- Safe on all ironable fabrics: Even delicates like silk
- Water tank capacity: 1800 ml
- Soleplate gliding performance: 5 stars
- Safety auto off
- Soleplate name: SteamGlide Advanced
- Detachable water tank
- Low water alert
- Refill any time during use
- Tap water suitable
- Power cord length: 1.65 m
- Hose length: 1.7 m
- Precision steam tip
- Ready to use: Light indicator
- Soleplate scratch resistance: 5 stars

Technology

- OptimalTEMP technology
- Cyclonic steam chamber
- For all ironable fabrics
- No burns
- No temperature settings needed

Fast crease removal

- Pressure: Max 7.5 bar
- Power: Max 2100 W
- Continuous steam: Up to 120 g/min
- Steam boost: Up to 480 g
- Voltage: 220 - 240 V

- Vertical steam
- Ready to use: 2 minute(s)
- Steam-on-demand

Scale management

- Descaling and cleaning: Easy De-calc
- Descaling reminder: Light

Storage

- Carry lock: For transportation and safety
