Sonic electric toothbrush

HX3681/03

# Highlights

### Removes plaque 3x better\*

The Sonicare electric toothbrush with advanced sonicare technology is clinically proven to remove plaque up to 3X better\* than a manual toothbrush. It removes plaque from your teeth and along the gum line while protecting your gums.

### Long lasting battery life

Battery life lasts up to 14 days so you can go long periods without charging.

### 2 intensity settings

Switch between 2 intensity settings to make the brushing session comfortable for you.

### Protects your gums

Built-in pressure sensor automatically detects pressure you apply, warns you, and reduces the toothbrush vibrations automatically to help protect your gums. The toothbrush will make a pulsing sound as a reminder to ease off the pressure. 7 out of 10 people found this feature helped them become better brushers.

### SmartTimer and QuadPacer

2 minute SmartTimer and 30-second QuadPacer guide you to brush for the recommended time in all areas of your mouth to ensure a complete clean.

### Advanced Sonicare Technology

Powerful bristle vibrations drive microbubbles deep between your teeth and along your gum line for a refreshing experience. You will get two

month's worth of manual brushing in just 2 minutes.\*\* 31000 brush strokes per minute gently clean your teeth, break up plaque, and sweep it away for an exceptional daily clean.

### Designed around you

Slim, light-weight, and ergonomic design makes the toothbrush easy to hold and use so that you can get an amazing clean without any strain.

### Easy-Start

Our Easy-Start program gives you the option of a gradual, gentle increase in brushing power the first 14 times you use your new toothbrush.
