Highlights

2 year warranty

You enjoy a 2-year worldwide warranty on our blenders – which is our guarantee of long-lasting quality and operation.

Powerful 800 W motor

Powerful but energy efficient 800 W motor for balancing power efficiency and perfect blending results. Designed to maximize the performance of the ProBlend Crush technology.

Pro Blend Crush Technology

ProBlend Crush technology turns toughest ingredients into finest smoothies twice as fast.

Our unique 4-star blades in combination with our efficiently designed 800 W motor crush ice and big pieces to perfection.

Large capacity plastic jar

The large 2 L jar has a working capacity of 1.5 L for deliciously blended smoothies to share with the whole family or save for later.

3 speed settings

Our control dial is molded with non-slip grip, so you can easily control the blender speed. From gentle blending for soft fruits – to a burst of power for harder fruit and vegetables. It's up to you with our manual speed control.

Pulse function

Blend your mixes thoroughly smooth by using the handy pulse control – so all the bits and pieces are brought down to the blades for another round of fine blending.

EasyClean

Its removable blade unit is designed for more thorough cleaning. All detachable parts are also dishwasher safe.

Dishwasher-safe parts

All detachable parts of your Philips blender are dishwasher safe.

Large ribbed jar

The innovative ribbed jar design ensures the optimal flow of ingredients for the finest blending results.
