# Highlights

# Specifications

## Used in hospitals

Trusted by medical professionals to calm newborns, Soothies are distributed in hospitals nationwide.

## Orthodontic nipple

Our collapsible silicone nipple has a symmetrical shape that respects your baby's palate, teeth and gums as he or she grows.

## Unique shape

Soothies have a unique one-piece design that lets you place your finger in the nipple, so you can bond with your baby by helping him or her suckle. They are also available in a cute bear shape.

## Easy to sterilize

Keeping your little one's Soothies and pacifiers clean is easy. Simply put them in your sterilizer or submerge in boiling water.
