- Glove for extra protection during steaming
- PVC free silicon steam hose

Refreshes clothes without washing or dry cleaning

- Steam kills up to 99.9% of bacteria*
- Removes cigarette, food and body odors

PHILIPS

Highlights

Extra powerful steam

Powerful steam is blown through the nozzles, enabling you to remove creases with only a few strokes.

Detachable water tank

1.2 L detachable water tank with special water inlet for extra hygiene.

Safe on all garments

The steamer is safe to use on all fabrics. It is a great solution for delicate fabrics like silk.

Adjustable pole

Integrated adjustable pole for hanging your garments while using the steamer. It is collapsible for easy storage.

Easy Rinse descaling function

Prolong the lifetime of your appliance by using the Easy Rinse descaling function regularly.

Glove for extra protection

Included is a glove that protects your hand during steaming.

XL Stainless steel steam plate

The steamer head has an XL stainless steel steam plate which delivers faster results.

The steam hose is made of silicon material which is the safe and healthy choice for use with steam. As the safety and health of your family is important, no PVC is used in the steam hose.

Steam kills bacteria

Hot steam kills up to 99.9% of bacteria on clothes and helps delaying washing or dry cleaning*.
