- Vertical steaming for hanging fabrics
- Large 270 ml water tank for ironing more clothes in one go

Long lasting performance

- Calc-clean slider for long-lasting steam performance

PHILIPS

Highlights

2000 W to heat up quickly

Delivers a fast warm-up and powerful performance.

Non-stick soleplate

Our non-stick soleplate glides easily on any ironable garment with a special non-stick layer.

Vertical steam

The vertical steam function lets you refresh garments right on the hanger and remove creases from curtains as they hang. No ironing board required.

Steam boost up to 100 g

Penetrates deeper into fabrics to easily remove stubborn creases.

Triple precision tip

The tip is precise in 3 ways. It has a pointed tip, button groove and sleek nose design. Our triple precision tip helps you handle even the hardest-to-iron spots, like buttons and pleats.

Built-in calc-clean slider

This iron operates with ordinary tap water. Calc-clean is a built-in cleaning function to remove calcium buildup, or limescale, and maintain peak performance.

Continuous steam up to 25g/min

Strong and consistent steam output penetrates more steam through fabric to remove creases faster.

270 ml water tank

Less refilling with the large 270 ml water tank so you can iron more clothes in one go
