

Philips
Deep-fat fryer

Auto-shut off
Timer

HD6155

Enjoy the food, share the fun

Large servings for a family appetite

Share the taste of fried food: this Philips deep-fat fryer can fry family-sized servings in one go! Cleaning is a breeze with the removable bowl and dishwasher parts. The additional oil container is ideal for oil filtering and storage.

Safe to use

- On/off switch for additional safety
- Rise and fall frying basket prevents oil splashes
- Fryer switches automatically off 120 minutes after frying

Quick and easy cleaning

- Additional oil container, ideal for oil filtering & storage
- All parts are dishwasher except the housing
- Removable inner bowl for easy oil pouring and cleaning

Hassle-free preparation

- Extra large capacity for family-sized servings
- Removable multi-layer filter reduces unwanted frying smells
- Removable digital timer allows pre-setting of frying time

PHILIPS

Deep-fat fryer
Auto-shut off Timer

HD6155/80

Highlights

Large capacity

Extra large capacity for family-sized servings

Removable digital timer

Allows easy pre-setting of the frying time. The timer can be removed from the fryer housing and taken along; you don't have to keep an eye on your food anymore!

Removable multi-layer filter

The Philips deep fryer reduces unwanted frying smells and is dishwasher. There is no need for replacement.

Auto-shut off switch

Ultimate safety: fryer switches automatically off 120 minutes after the last frying session.

On/off switch

On/off switch for additional safety

Rise and fall frying basket

Rise and fall frying basket prevents oil splashes

Additional oil container

Ideal for oil filtering and storage. Filtering keeps the oil cleaner - which is better for your health - and longer-lasting. The container can also be used for storing used oil.

Dishwashable parts

All parts are dishwasher except the housing

Removable inner bowl

Removable inner bowl for easy oil pouring and cleaning
