**PHILIPS**

# Highlights

## Drip-stop system

The Drip Stop system of your Philips steam iron lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

## Cordless steam iron

The cordless feature allows for maximum freedom of movement and maneuverability. There is a choice for the cordless mode for garments that need to be adjusted regularly on the ironing board enabling the iron to charge in the meantime, or in corded mode for continuous ironing. The selection of either corded, cordless or fixed to the stand for storage can easily be made with the three position switch.

## Aluminium soleplate

The durable aluminium soleplate easily glides over all fabrics, is scratch resistant and easy to clean.

## Automatic Anti-Calc system

Automatic Anti-calc system.

## Up to 30 g/min of steam

Continuous steam up to 30 g/min for better crease removal.

## Steam boost

75 g/min steam boost helps to easily remove the most stubborn creases.

## Vertical steam

This Philips iron has a vertical steam function, for crease removal in hanging fabrics.
