PHILIPS

Highlights

Up to 17 g/min of steam

Continuous steam up to 17 g/min for better crease removal.

1400 Watt

This powerful iron heats up quickly and maintains very stable temperatures during ironing, making it easier to remove creases properly.

Aluminium soleplate

The durable aluminium soleplate easily glides over all fabrics, is scratch resistant and easy to clean.

Calc clean

The calc clean function enables you to simply flush your Philips iron to remove the calc particles out of your iron. This will extend the lifetime of your iron.

Large 180 ml water tank

Less refilling with the extra-large 180 ml water tank so you can iron more clothes in one go.

Pointed tip

The uniquely pointed tip allows you to iron even the hardest to reach areas.
