- Strength select for adjusting the intensity of your coffee
- Decalcification indicator light

#### Easy to experience

- Drip stop to pour a cup of coffee whenever you like
- Auto shut-off after 2 hours
- Swing filter holder for easy filling of coffee
- Detachable water tank for easy filling
- Cable storage for easy placement in your kitchen
- Dishwasher-safe parts for easy cleaning

# PHILIPS

# Highlights

## 1.400 Watt

The high-speed pump of your Philips coffee machine will prepare your coffee faster with the optimal coffee aroma.

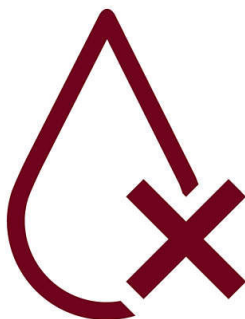

## Strength select

Adjust the intensity of your coffee from mild, medium or intense coffee.

## Decalcification indicator

The Philips coffee machine will remind you when to descale your appliance. Regular descaling ensures the best taste of your coffee and prevents lime scale from tap water.

## Drip stop

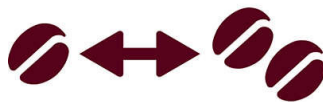

The drip stop allows you to pour a cup of coffee before the full brewing cycle is finished.

## Auto shut-off

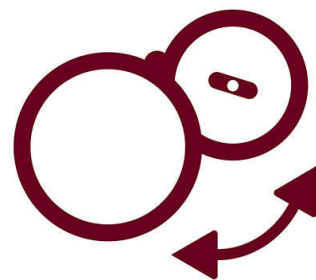

Forgot to turn off the coffee machine? Don't worry! 2 hours after brewing the coffee, the coffee machine will shut off automatically to save energy.

## Detachable water tank

The water tank is detachable, which makes it easy to fill water or clean the water tank.

## Swing filter holder

The filter holder is opened by swinging it to the side, which makes the filling of coffee easy. The

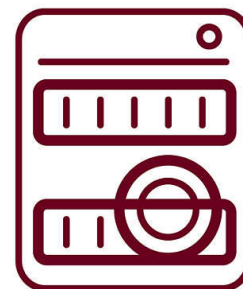

filter holder is also detachable, for easy cleaning.

## Cable storage

Spare cable can be stored in the cable compartment under the coffee maker. It enables placing the coffee maker nicely in your kitchen.

## Dishwasher-safe parts

The jug and filter holder can be easily cleaned in the dishwasher.
