- Cord winder for easy cord storage
- Slim tip soleplate reaches easily in tricky areas
- The light weight iron helps to iron with less effort

Easy gliding on all fabrics

- Finished soleplate

Full control

- Easy temperature control
- Temperature light indicates when the iron is hot enough

PHILIPS

Highlights

Linished soleplate

Linished soleplate

Slim tip soleplate

The slim tip of the soleplate allows to reach easily in the most tricky areas, such as between the buttons, when making pleats and in the corners.

Button groove

Button groove speeds up ironing along buttons and seams.

Comfortable handle

The texturing on the handle of the iron ensures a comfortable and ergonomic grip, so that your hand fits well and does not slip during ironing.

Easy storage

The cord can be wrapped around the heel rest, so that the appliance is easy to store.

Light weight

The light weight iron combined with the non stick coating helps to glide easily and remove wrinkles faster .

Easy temperature control

An elevated temperature control is easy to operate and precise. You will always have the right temperature for your garment.

Temperature light-indicator

Temperature light goes on when the iron is heating up and goes off when the soleplate temperature has reached the set level.
