PHILIPS

Highlights

Multi safety system

Multi safety system against boil-dry, with auto switch off when ready.

Hinged lid

Hinged lid with large opening for easy filling and cleaning, also avoiding steam contact.

Water level indicators

Easy to read water level indicators on both sides of the Philips electric kettle for left and right handed use.

Stainless steel body

Robust metal kettle with brushed stainless steel body

Power cord winder

The cord can be wrapped around the base, so that the kettle is easy to place in your kitchen.

Cordless 360° pirouette base

Cordless 360° pirouette base for easy lifting and placing.

Easy lid and spout filling

The kettle can be filled via the spout or by opening the hinged lid.

Flat heating element

The stainless steel concealed element ensures fast boiling and easy cleaning.

Pilot light

Elegant light incorporated in the on/off switch indicates when the kettle is on.

Anti-calc filter

Anti-calc filter for a clean cup of water and a cleaner kettle.
