

Philips 2500 series
Steam iron

Dripstop
32g

GC2530

Simple, fast and effective

Longer-lasting steam performance

For great results, you want powerful steam and an iron that never gives up. With its 95 g steam boost, 2100 W for constant high steam and Double Active Calc system, this practical iron gives you value for money that lasts!

Powerful performance

- Constant high steam output

Comfortable ironing

- Less refilling with extra-large 300 ml water tank

Easy gliding on all fabrics

- Non-stick soleplate coating

Longer lifetime

- Double Active Calc System prevents scale build-up

Easily removes creases

- Continuous steam up to 32 g/min for better crease removal
- Vertical steam for crease removal in hanging fabrics
- Steam boost up to 95 g for the most stubborn creases

PHILIPS

Highlights

2100 Watt

2100 Watt enables constant high steam output.

Steam boost up to 95 g

The iron's 95 g steam boost enables you to easily remove even the most stubborn creases.

Double Active Calc System

Double Active Calc system of your Philips steam iron prevents scale build-up through anti scale pills and an easy to use calc clean function.

Up to 32 g/min of steam

Continuous steam up to 32 g/min for better crease removal.

300 ml water tank

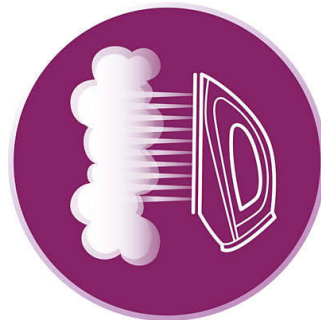

Fewer refills are required thanks to a large 300 ml water tank. So you can iron more clothes in one go.

Non-stick soleplate

The soleplate of your Philips iron is coated with a special non-stick layer for good gliding performance on all fabrics.

Vertical steam

This Philips iron has a vertical steam function, for crease removal in hanging fabrics.

Specifications
