1400 Watts

GC1720

Fast and efficient - guaranteed

Speed shaped soleplate

There's so much more to life than household chores, so you want to get them done as quickly as possible. With its special pointed tip, uniquely designed steam holes and smooth-gliding soleplate, this quality iron is simply built for speed.

Powerful performance

- 1400 Watt enables constant high steam output

Comfortable ironing

- Less refilling with large 180 ml water tank
- A fine spray evenly moistens the fabric

Easy gliding on all fabrics

- Ceralon soleplate for better gliding on all fabrics

Longer lifetime

- Calc clean to prevent your iron from scale build up

Easily removes creases

- Continuous steam up to 17 g/min for better crease removal
- Steam boost helps to easily remove stubborn creases

PHILIPS

Highlights

1400 Watt

This powerful iron heats up quickly and maintains very stable temperatures during ironing, making it easier to remove creases properly.

Up to 17 g/min of steam

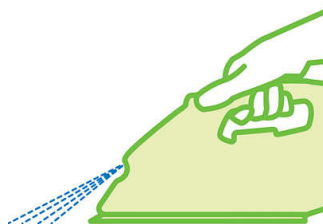

Continuous steam up to 17 g/min for better crease removal.

Ceralon soleplate

Ceralon soleplate for better gliding on all fabrics.

Spray

The spray function produces a fine mist that evenly moistens the fabric, making it easier to iron out creases.

Steam boost

Steam boost helps to easily remove the most stubborn creases.

Calc clean

The calc clean function enables you to simply flush your Philips iron to remove the calc particles out of your iron. This will extend the lifetime of your iron.

Large 180 ml water tank

Less refilling with the extra-large 180 ml water tank so you can iron more clothes in one go.

Specifications

Easy to use

- Control: Temperature ready light, Variable steam settings
- Reaching tricky areas: Button groove
- Fast heat-up

Weight and dimensions

- Product weight: 1,06
- Product dimensions: 26.1 x 11.5 x 13.6

Technical specifications

- Power: 1400
- Frequency: 50-60
- Voltage: 220 - 240

Comfortable ironing

- Cord length: 1,8 m
- Additional comfort: 180 degree cord freedom
- Anti-scale management: Calc-Clean, Double Active Calc System
- Safe in use: Exceeds international drop test standards
- Suitable for tap water
- Water tank capacity: 180 ml

Crease removal

- Continuous steam: Up to 17 gr/min
- Soleplate: Optimal vent pattern
- Spray
- Reaching tricky areas: Pointed tip
