

Philips
Steam generator iron

Max 5.2 bar pump pressure
1.1-l detachable water tank
200 g steam boost

HI918/26

Faster ironing

With extra steam

This steam generator makes your ironing experience faster thanks to extra powerful continuous steam, and more convenient thanks to a 1.1 l detachable water tank.

Comfortable ironing

- Automatic shut-off when the iron is left unattended

Fast and powerful

- Calc-clean container included — no cartridges, no extra cost
- Ceramic soleplate for durability and easy gliding
- Powerful steam for ultimate crease removal

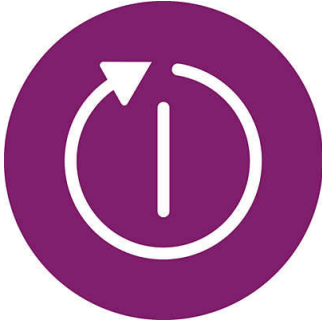

Compact and convenient

- Lightweight and compact for easy use and storage
- 1.1-l detachable water tank

PHILIPS

Highlights

Auto shut-off

The iron shuts itself off if you leave it standing still. On its soleplate, it will automatically switch off after 30 seconds. On its heel rest, it will automatically switch off after 8 minutes.

Smart descaling

Our built-in descaling system, Smart Calc Clean, reminds you when you need to descale. It also includes a container to make descaling easy. This means no cartridges are required and there are no additional costs.

Ceramic soleplate

Our durable ceramic soleplate glides well on all garments. It is non-stick, scratch-resistant and simple to keep clean.

Compact and convenient

The lightweight, compact size is perfect for storage and fits conveniently on your ironing board. Exclusive ProVelocity technology makes our steam generators smaller and more compact than ever.

Ultra-powerful steam

Strong, continuous steam tackles even the thickest fabrics with ease. Watch stubborn creases melt away with an extra steam boost just where you need it. This extra steam is perfect for vertical steaming to refresh clothes and curtains, too.

Detachable 1.1 l water tank

The water tank can be removed to be refilled easily under the tap. The large filling hole makes refilling fast. Thanks to the 1.1-l water tank capacity, you can iron for up to 2 hours continuously without any refills.

Specifications

Easy to use

- Water tank capacity: 1100 ml
- Soleplate name: Ceramic
- Detachable water tank
- Refill anytime during use
- Tap water suitable
- Power cord length: 1.6 m
- Hose length: 1.4 m
