- Easy start program builds your Philips Sonicare routine
- Timers encourage thorough 2 minutes of brushing

Provides a superior clean

- Our unique technology brings you a powerful yet gentle clean

Optimize your brushing

- Battery life
- Click-on brush head system

Highlights

Up to 3x better plaque removal

Removes up to 3x more plaque along the gumline than a manual toothbrush

Helps whiten teeth

This Philips Sonicare electric toothbrush helps to remove and reduce stains on your teeth for a brighter smile.

QuadPacer and Smartimer

It takes just 2 minutes to thoroughly brush your teeth. Our QuadPacer lets you know when you've spent the optimal amount of time on

each section of your mouth while our Smartimer signals when your total time is up. Together they help you reach your recommended brushing time, every time.

Ease into your new routine

Starting something new can take some getting used to. Our easy-start program gives you the option of a gradual, gentle increase in brushing power with the first 14 uses with your new toothbrush.

Battery life

Lasts up to 10 days between charges.

Click-on brush head system

This brush head clicks on and off your brush handle for a secure fit and easy maintenance and cleaning. It fits Philips Sonicare toothbrush PowerUp Battery, Essence+/Elite+/CleanCare+ handles.

Philips Sonicare technology

Powerful sonic vibrations whip up your toothpaste into plaque fighting bubbles, and drive them deep between your teeth and along your gum line. At the same time your teeth will experience 62,000 gentle but effective brush strokes. You'll get a month's worth of manual brushing in just 2 minutes.
