

Philips PerfectCare  
Compact  
Steam generator iron

Max 6.5 bar pump pressure

Up to 420g steam boost  
1.5 L water tank capacity  
Carry lock

GC7846/86

## Iron faster with 2x more steam\*

Our most compact steam generator

Powerful, continuous steam makes fast work of all your ironing - without any need to adjust temperature thanks to our OptimalTEMP technology. Compact and lightweight for easy use and storage.

### Compact technology

- Large tank for long use
- Automatic shut-off when iron is left unattended
- Lightweight and compact for easy use and storage
- Carry lock for safe and easy transport

### No temperature setting needed, guaranteed no burn

- Safe on all ironable garments, no-burns guaranteed
- OptimalTEMP technology, no temperature settings required

### Fast ironing with continuous powerful steam

- Save energy with ECO mode
- Calc-clean container included - no cartridges, no extra cost
- Scratch resistant SteamGlide soleplate provides good gliding
- Powerful steam for ultimate crease removal

# PHILIPS

# Highlights

## Ultra-powerful steam

Strong, continuous steam tackles even the thickest fabrics with ease. Watch stubborn creases melt away with an extra steam boost just where you need it. This extra steam is perfect for vertical steaming to refresh clothes and curtains, too.

## No temperature setting needed

Iron everything from silk to jeans without adjusting the temperature. Thanks to OptimalTEMP, no dial or settings are needed. So there's no more pre-sorting the laundry, or waiting for the iron to heat up and cool down. You're ready for any fabric, anytime.

## No burns – guaranteed

Thanks to OptimalTEMP technology, we guarantee this iron will never cause burns to

any ironable fabric. You can even leave it resting face down on your clothes or ironing board. No burns, no shine. Guaranteed.

## 1,5L water tank

A 1.5-liter transparent tank gives you 1.5 hours of continuous use. See clearly how much water is left and refill easily under the tap through the large filling door.

## Smart descaling

Our built in descaling system, Smart Calc Clean reminds you when you need to descale. It includes a container to make descaling easy. This means no cartridges are required and no additional costs.

## Energy saving

Save energy and get the same great results. ECO mode reduces your energy consumption for garments that require less steam.

## Compact and convenient

The lightweight, compact size is perfect for storage and fits conveniently on your ironing board. Exclusive ProVelocity technology makes our steam generators smaller and more compact than ever.

## Safety carry lock

Lock your iron securely to the base station for easy carrying around the house and to reduce the risk of accidentally touching the hot soleplate.

# Specifications

## Storage

- Carry lock: For transportation and safety
- Cord storage: Velcro fix
- Hose storage: Hose storage compartment

## Easy to use

- Water tank capacity: 1500 ml
- Safe on all ironable fabrics: Even delicates like silk
- Soleplate gliding performance: 3 stars
- Soleplate name: SteamGlide
- Safety auto off
- Refill any time during use
- Cord freedom (swivel): 180 degree cord freedom
- Tap water suitable
- Power cord length: 1.8 m
- Hose length: 1.6 m
- Integrated power plug
- Precision steam tip
- Ready to use: Light indicator, Sound indicator
- Soleplate scratch resistance: 4 stars

## Accessories included

- Calc clean container

## Guarantee

- 2 year worldwide guarantee

## Technology

- OptimalTEMP technology
- For all ironable fabrics
- No burns
- No temperature settings needed

- ProVelocity steam engine
- Smart Control Processor
