- Sonicare rechargeable toothbrush
- 2 minute brushing time recommended by dentists

Innovative technology

- Sonic advanced technology removes food and plaque

Optimize your brushing

- Battery life
- Click-on brush head system
- Just one click to change brush heads

Highlights

Sonicare 1100 — a deeper clean

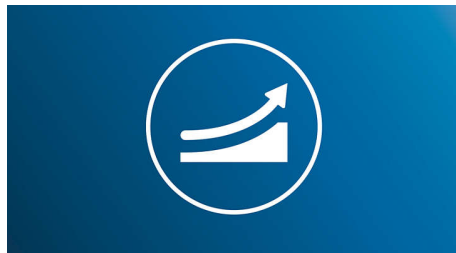

For an exceptional daily clean, Sonic technology pulses water between your teeth and gums to break up plaque and blast away food remnants.

Smart functionalities

With a gentle pulse reminds you to change to a new part of your mouth, and signals when 2 minutes of brushing time is up. This sonic electric toothbrush gives you the most optimal brush, every time.

Ease into your new routine

Starting something new can take some getting used to. Our easy-start program gives you the option of a gradual, gentle increase in brushing power with the first 14 uses with your new toothbrush.

Battery life

Lasts up to 14 days between charges.

Click-on brush head system

This brush head clicks on and off your brush handle for a secure fit and easy maintenance and cleaning. It fits Philips Sonicare toothbrush PowerUp Battery, Essence+/Elite+/CleanCare+ handles.

Say goodbye to plaque

The Philips Sonicare 1100 gets at all those hard-to-reach areas that a manual toothbrush can't get to, with contoured bristles designed to make brushing easy.

Use at home or on-the-go

The long-lasting battery means it lasts up to 14 days between charges. Perfect for on the go!

Easy to maintain

Dental professionals recommend changing your brush head every 3 months. This brush head clicks on and off your brush handle for a secure fit and easy maintenance and cleaning.
