- Easy start program builds your Philips Sonicare routine

Innovative technology

- Philips Sonicare's advanced sonic technology

Optimize your brushing

- Battery life
- Click-on brush head system

Highlights

The only true sonic technology

Philips Sonicare's advanced sonic technology pulses water between teeth, and its brush strokes break up plaque and sweep it away for an exceptional daily clean.

Improves gum health

Densely-packed, high-quality bristles give you an extra gentle brushing to remove plaque along the gumline to improve gum health up to 100% more than a manual toothbrush. And, the specially curved power tip makes reaching the teeth at the back of your mouth a breeze.

QuadPacer and Smartimer

It takes just 2 minutes to thoroughly brush your teeth. Our QuadPacer lets you know when you've spent the optimal amount of time on each section of your mouth while our

Smartimer signals when your total time is up. Together they help you reach your recommended brushing time, every time.

Battery life

Lasts up to 14 days between charges.

Click-on brush head system

This brush head clicks on and off your brush handle for a secure fit and easy maintenance and cleaning. It fits Philips Sonicare toothbrush PowerUp Battery, Essence+/Elite+/CleanCare+ handles.

Ease into your new routine

Starting something new can take some getting used to. Our easy-start program gives you the option of a gradual, gentle increase in brushing power with the first 14 uses with your new toothbrush.
