Soothie Heart

Soothie

One-piece silicone design

0-3m

BPA-Free

2-pack

SCF099/02

Comfortably fits the natural curves of baby's face

Flexible medical grade silicone

Philips Avent Soothie Heart is designed around the natural contours of your baby's face. Its curved, heart-shaped shield won't bump into his or her tiny nose. Made from medical grade silicone, Soothie is distributed in hospitals nationwide*

Comfortable design

- Follows the curves of your baby's face for enhanced comfort
- One-piece design, made from 100% medical grade silicone

Easy to clean

- Design prevents water from getting trapped in the nipple

Used by medical professionals

- Distributed by hospitals in the USA*

Symmetrical-shaped nipple

- Supports natural oral development

Fingerheld solution

- Unique design helps you bond with your baby

What is included

Soothie Heart: 2 pcs

- * All our Soothies have same nipple shape, one-piece design and material, and come with a variety of shield shapes, including those distributed in US hospitals
- * American Academy of Pediatrics recommends to "purchase pacifiers that cannot possibly come apart. Those molded of one solid piece of plastic are particularly safe". (Caring for Your Baby and Young Child: Birth to Age 5, 7th ed. 2019, By American Academy of Pediatrics, Tanya Remer Altmann and David L. Hill, New York: Bantam Books.)
- * For hygiene reasons, replace pacifiers after 4 weeks of use
- * Warning: Do not tie pacifier around child's neck as it presents a strangulation danger
