Highlights

Smooth and fine Blending

ProBlend Extreme technology is powerful and makes delicious, smooth and finely-blended recipes, whether you're blending soft fruits or hard nuts. And with its noise reduction dome, your family can even sleep while you blend. The High-Speed Power Blender is 1800 watts and its motor speed is up to 35,000 RPM to easily pulverise hard ingredients. This breaks cell walls and releases higher amounts of nutrients including carotenoids, Vitamins A and C.

Powerful motor

Powerful motor of 1800 Watt and 35.000 RPM.

Noise reducing dome

Noise comfort dome to reduce blending noise for convenient use especially in the morning.

Digital UI Screen

Digital UI Screen with 5 pre-programmed modes and manual mode with variable speed options.

Choose your blending speed

From gentle blending for soft fruits - to a burst of power for harder fruit and vegetables. It's up to you with our variable manual speed options.

Recipe booklet

Including recipe booklet with a variety of recipes for smoothies, soup, sauces and even dough.

Dishwasher safe

Dishwasher safe, except for the main unit.

Easy to clean

Easy to clean
