Easy assembly

HR1889/71

Your daily nutrition boost in just 1 minute

Healthy juicing made easy, every day

Drink your daily shot of healthy juice. Philips' masticating juicer is the ultimate juice machine. This slow juicer features an XL feed tube - so you can juice whole fruit, vegetables and leafy greens. Rinses clean in just 90 seconds.

Designed with style - to keep on your countertop

- Compact storage of pulp container inside juice collector
- Slender, modern design, so it's always to hand

Releases more nutrition from fruit and vegetables

- A healthy App for inspiring delicious juice recipes
- Juice all your favourite fruit, including pomegranate

Rinses clean in just 90 seconds

- Detachable parts are also dishwasher safe
- QuickClean technology with easy-to-clean micro-sieve
- With drip stop to keep counter tops clean

XL feeding tube

- Wide-mouth 70-mm feeding tube

PHILIPS

Highlights

Inspiring recipe App

Download our free Philips Healthy Drinks App. It's filled with delicious juice recipes and inspiration. For everything from detox drinks to energy boosts - and even juices that help you sleep peacefully. With detailed nutritional information, too.

Compact storage

Compact storage of pulp container inside juice collector

Dishwasher-safe parts

Thanks to our unique design, you can quickly assemble and start using your new masticating juicer. It's also easy to take apart, and quick to clean. All detachable parts can be safely cleaned

in your dishwasher - which makes it even easier to clean up after your daily juice session.

Masticating technology

Release nutritional goodness from fruits and vegetables with up to 80% extraction*. A great slow juicer for leafy greens.

Clean-up in 90 seconds

With QuickClean technology - including our easy-to-clean micro-sieve. All parts are easy to remove and rinse.

Modern design

Slender, modern design, so it's always to hand

XL feeding tube

Save time and start juicing faster. You no longer need to cut up most fruit and vegetables to fit this juice machine. Just pop it all into the 70-mm XL feeding tube, and enjoy a boost of nutrition every day.

Stop those drips

Your kitchen counter top will stay nice and clean, thanks to our integrated drip stop.
