### Even toasting results

- 8 browning settings for individual preference
- 2 large variable slots for different size of bread
- Integrated bun rack for heating rolls, pastries or buns

# PHILIPS

# Highlights

## 2 large variable slots

2 large variable slots for different size of bread. The bread is kept in the center for even browning results on both sides, thanks to the self-centering feature.

## 8 browning settings

8 settings allow you to toast different types of bread without the risk of getting it burnt. Adjust the browning setting to your preference and get your toast the way you want it.

## Stop anytime

Stop at any moment you like by pressing the stop button.

## Extra auto shut-off protection

Extra auto-off protection protects the product against short circuit.

## High lift function

High lift feature to easily remove small pieces of bread.

## Integrated bun rack

Integrated bun rack to warm your favorite buns, pastries and rolls easily.

## Reheat, defrost in one go

The reheat function warms toast in seconds, and the defrost function helps to toast frozen bread in one go.

## Removable crumb tray

Easy to clean thanks to the removable crumb tray.
