PHILIPS

Anti-scale cartridge
Eliminates 99% of calc Suitable for PerfectCare Pure, Pack with 2 cartridges

GC002/00

Highlights

3 months of ironing

The lifetime of your cartridge depends on the water hardness where you live and the number of hours you spend ironing per week. On average, 1 cartridge provides 3 months of ironing time.

5-year warranty

The Pure Steam Anti-scale cartridge will efficiently protect your PerfectCare Pure against any scale damage. Your appliance is guaranteed against scale for 5 years.

99% calc-free

The PureSteam anti-scale cartridge filters 99% of scale from tap water. It ensures a consistent flow of steam and prevents calc residues on clothes.

Anti-calc replacement light

PerfectCare Pure warns you when the Pure Steam Anti-scale cartridge needs to be replaced. The anti-calc replacement light starts flashing, and your appliance starts beeping and then stops to prevent you from damaging it and getting dirt on your clothes. To continue using your appliance under the best conditions, you can either use demineralised water while keeping the old cartridge inside, or replace it with a new Pure Steam Anti-scale cartridge.

Increase lifetime by 5 times

It prevents any scale damage to your appliance and increase the lifetime of your appliance by 5 times.

Pure Steam Anti-scale cartridge

The unique Philips Pure Steam Anti-scale cartridge is proven to be the most effective integrated anti-scale system.
