Highlights

ProBlend system

Unique ProBlend system perfectly combines 3 technologies, custom-designed to ensure smooth blending with no lumps in just 45 seconds*. The 450W power motor drives the blending flow to circulate all your ingredients evenly, while the innovative blade design is specially shaped to maximize the cutting area. Last but not least, the jar is designed with unique ribs to continuously guide ingredients back into the blending flow.

Motor Thermo Protection sensor

Special Motor Thermo Protection (MTP) sensor is designed to prevent the motor from overheating and protects from over-current condition during use.

Stainless steel blades

Durable stainless steel blades stay sharp and free from rust or tarnishing for longer.

NutriU app

Download and discover the NutriU app with +200 ideas on how to make your favorite drinks, meals and snacks with the help of your new blender. Healthy cooking should be simple and leave your family wanting more. That is why the NutriU app offers a variety of healthy alternatives of your favorite dishes. From healthy chocolate desserts to nutrient-packed main meals, we create our recipes healthy but without compromising on delicious taste.

Anti-vibrate feet

The blender features suction feet for stability and to ensure it doesn't vibrate during use.

Grinder mill accessory

The new 4 star blade mill grinds efficiently, being up to 3 x times faster. Perfect for grinding coffee, nuts, herbs and spices into the fine consistency you need.

Ice crushing

Use the ProBlend system plus the Pulse setting to crush ice cubes into fine pieces in just 45 seconds**. Perfect for your favorite chilled drinks and smoothies, and great for special desserts.

1.9L family size jar

Serves up to 5 drinks (based on 200ml glass size) thanks to 1L effective capacity.***

Speed settings

Produce a wide range of drinks and enable fast ingredient preparation for your favorite meals with 1 speed and Pulse settings to choose from. Use for ingredients from herbs, spices and veggies, to grinding coffee, and even crushing ice to make a delicious chilled smoothie.
