Advanced Cleaning

Toothbrush for gentle cleaning of teeth and gum

Innovative technology delivers better results. Now there's a guaranteed way to better oral health. It's the new Philips Sonicare FlexCare electric toothbrush that adapts to your oral care needs.

Proven to improve oral health

- Improves gum health in only two weeks

Guides you to follow dental recommendations

- Quadpacer interval timer encourages thorough brushing
- Two-minute timer helps ensure recommended brushing time

Offers a customized brushing experience

- Easy-start program to acclimate to the Sonicare experience
- Three different modes for a better cleaning experience

Provides a better clean in between teeth

- Safe on orthodontics, dental work and veneers
- Sonicare dynamic cleaning action drives fluid between teeth

Highlights

Improves gum health

This Philips Sonicare electric toothbrush provides optimal cleaning between teeth and along the gumline for improved gum health in just two weeks.

Three different cleaning modes

The three modes include a Clean mode for an outstanding clean in 2 minutes. A White mode for removing surface stains and a Massage mode to stimulate the gum.

Easy-start program

Gently increases power over first 14 uses to ease into the Philips Sonicare electric toothbrush experience

Quadpacer

30 seconds interval timer indicates when you have completed each quadrant of your mouth and signals for you to move on resulting in more consistent cleaning throughout your mouth

SmarterTimer

2-minute timer on this Philips Sonicare electric toothbrush helps ensure dental professional recommended brushing time

Safe and gentle

The gentle motion of this Philips Sonicare power toothbrush is safe for dental work, including orthodontics, implants and veneers, so you can brush without worry.

Sonic technology

Our sonic technology creates a unique dynamic cleaning action that drives fluid deep between teeth and along the gumline for a thorough-yet-gentle clean.
