- Sonicare dynamic cleaning action drives fluid between teeth

Recommended by dental professionals world wide

- Better plaque removal to help reduce cavities
- Safe on orthodontics, dental work and veneers

Highlights

Helps reduce cavities

Provides better plaque removal and access to back teeth; brushing twice a day every day with this brush can help reduce cavities

Up to 7x better plaque removal

Removes up to 7x more plaque than a manual toothbrush for a superior clean

Sonic technology

Our sonic technology creates a unique dynamic cleaning action that drives fluid deep between teeth and along the gumline for a thorough-yet-gentle clean

Safe and gentle

The gentle motion of this Philips Sonicare power toothbrush is safe for dental work, including orthodontics, implants and veneers, so you can brush without worry.

Better access to back teeth

This plaque-removing toothbrush has a slim, angled brush head which provides better access to back teeth and hard-to-reach places.

Better in hard-to-reach areas

The slim, angled neck and easy-grip handle of this toothbrush helps with better cleaning in hard-to-reach areas than a manual toothbrush

EasyStart

The EasyStart feature adjusts the power level of the toothbrush over the first 14 uses to help you get used to the Sonicare experience, streamlining the transition from a manual toothbrush

SmartTimer

This Philips Sonicare power toothbrush features a special SmartTimer to help you meet the dentist-recommended brushing time of two minutes
