PHILIPS

Airfryer XXL

Smart Sensing technology Fat Removal technology, Rapid Air Technology, White champagne, 1.4kg

Highlights

Smart Sensing technology

The new generation of Philips Airfryer does the thinking for you. Enjoy perfect results in two easy steps. Choose a food type and press the button to cook. The Smart Sensor automatically adjusts the time and temperature for effortless perfect results.

Smart chef programs

Our professional chefs designed the Smart Chef programs to do the thinking and cooking for you. With just one touch, cook fresh or frozen fries, drumsticks or a whole chicken and even a whole fish using your Airfryer XXL.

Our most powerful Airfryer

By combining a powerful heater and motor, the hot air in the Airfryer swirls like a powerful tornado – throughout the entire cooking basket.

Enjoy family-size oven dish!

With the new family-size baking dish and 9 muffin cups, you can make all your favorite baking recipes. The Philips baking dish can cook up to 4 portions of Lasagna, 8-9 portions of cake and is suitable for batch cooking as well. Its non-stick coating is also ideal for cooking stews, ratatouille, frittatas, gratin, meats with sauces and other dishes.

Remove excess fat from food

Now you can eat healthier dishes and remove the excess fat from food. Philips XXL is the only Airfryer with Fat Removal technology that separates and captures excess fat. Savor all the taste of a roasted whole chicken with crispy skin, tender meat and up to 50% less saturated fat.²

Rapid Air for 90% less fat

Enjoy healthier fried food that's crispy on the outside and tender on the inside with up to

HD9870/20

90% less fat.² The Philips Airfryer XXL uses hot air (instead of oil) to fry food with little to no added oil. Philips Rapid Air creates 7x faster airflow so that you can enjoy crispier results¹ and delicious taste.

XXL family size meals

Yes, you can cook family-size meals in the Airfryer XXL. Its full-size capacity makes cooking a large, delicious meal easy. You can cook a whole chicken or even up to 1.4 kg of fries to satisfy hungry family or friends. Serve up to six portions with the large 7.3L capacity basket.²

Crispier, and twice as fast

Cooking is faster and more convenient than ever with the Philips Airfryer. With our best performing and most efficient Philips Airfryer, your food will cook crispier and twice as fast than a mini oven. No preheating. No waiting. Just cook and enjoy.
