- Designed for natural oral development

#### Fingerheld solution

- Unique design supports bonding

#### Medical grade silicone

- Made of BPA-free, durable, medical grade silicone

#### Used by medical professionals

- Distributed in hospitals in the USA

# Highlights

## Used in hospitals

Trusted by healthcare professionals to calm newborns, Soothies are distributed in hospitals in the USA.\*

## Unique shape

Soothie Shapes is a little different to our other pacifiers. Its unique shape lets you place your finger in the nipple so you can bond with your baby by helping them suckle.

## Orthodontic nipple

Our collapsible silicone nipple has a symmetrical shape that respects your baby's palate, teeth and gums as he or she grows.

## Medical grade silicone

The pacifier is made of BPA-free, durable, yet flexible medical grade silicone.

## Easy to sterilize

Keeping your little one's Soothies and pacifiers clean is easy. Simply put them in your sterilizer or submerge in boiling water.
