Highlights

Natural latch on

The wide breast shaped nipple promotes natural latch on similar to the breast, making it easy for your baby to combine breast and bottle feeding.

Advanced anti-colic valve

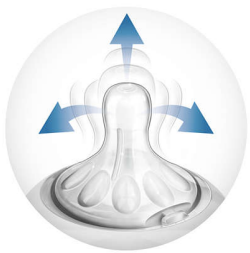

Innovative twin valve designed to reduce colic and discomfort by venting air into the bottle and not baby's tummy.

Simple to use and clean

Wide bottle neck makes filling and cleaning easy. Only a few parts for quick and simple assembly.

Unique comfort petals

Petals inside the nipple increase softness and flexibility without nipple collapse. Your baby will enjoy a more comfortable and contented feed.

Ergonomic shape

Due to the unique shape, the bottle is easy to hold and grip in any direction for maximum comfort, even for baby's tiny hands.

Growing with your baby

The Philips Avent Natural bottle is compatible with the Philips Avent range, excluding Classic bottles and cup handles. We advise to use the Natural bottles with Natural feeding nipples only.

Different sizes

The Philips Avent Natural bottle is available in 4 sizes: 2oz/60ml, 4oz/125ml, 9oz/260ml and 11oz/330ml. Bottles are available in single and multi packs.

Trusted by moms

Since 1984, Philips Avent has been designing and manufacturing products that are inspired by nature and have been developed through extensive research and clinical trials.

This bottle is BPA free*

The Philips Avent Natural bottle is made of BPA free* material (polypropylene).
