- Power up to 2000 W enabling constant high steam output
- Drip-stop system keeps garments spotless while ironing
- 100 g steam boost to remove stubborn creases easily
- 4 steam settings for better results on different fabrics

PHILIPS

Highlights

220 ml water tank

Less refilling with the extra-large 220 ml water tank so you can iron more clothes in one go.

Integrated water spray

The spray function produces a fine mist that evenly moistens the fabric, making it easier to iron out creases.

Power up to 2000 W

Power up to 2000 W enables constant high steam output.

Calc Clean slider

This steam iron can be used with normal tap water and the calc clean slider makes it easy to remove any built-up scale out of your iron. To maintain the performance of your Philips steam iron, you should use this scale clean function once a month when using normal tap water.

Larger soleplate

Larger soleplate to cover more in one go*

Drip-stop system

Our drip-stop system prevents leakage to avoid stains from water droplets — and iron with confidence at any temperature.

Fast crease removal

Continuous steam up to 15g/min for good crease removal.

Easy water filling

Wider hole for easy water filling*

Steam boost up to 100 g

Steam boost up to 100g for fast removal of even the most stubborn creases.
