# Highlights

## QuickClean removable bottom

The unique QuickClean bottom of the Variety cooking basket for Philips Airfryer has a non-stick coating which enables cleaning within seconds as it prevents many types of food from sticking. In addition, the bottom is easily detached so that you can quickly clean even the edges and corners with precision. The bottom can be cleaned under the tap or safely in the dishwasher!

## QuickClean design

The innovative Variety basket for Philips Airfryer has a unique design. It has been proven in tests to give the highest cleaning performance vs the standard Philips Airfryer basket bottom mesh.

## Dishwasher safe

All parts of the variety basket are dishwasher safe.

## Splatter proof lid

The splatter proof lid can also be used to cook more delicious dishes like dehydrated fruits and vegetables, roast coffee beans etc. - ingredients which otherwise, without the lid would fly out of the basket due to the high speed airflow of the Philips Airfryer with Rapid Air Technology.
