Highlights

SteamGlide soleplate

SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistancy, glides excellent and is easy to clean.

2400 Watt

2400 Watt enables constant high steam output.

Steam boost up to 150 g

The iron's 150 g steam boost enables you to easily remove even the most stubborn creases.

Optimal cord length

With the 2.5 m long cord, you can easily reach right up to the edges of your ironing board - and further!

Steam tip

The unique steam tip of this Philips iron, combines a particularly pointed front of the soleplate with special elongated steam slots in the tip, to reach right into the smallest and most difficult areas for the best ironing results.

Drip-stop system

The Drip Stop system of your Philips steam iron lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

Auto shut-off

The electronic shut-off automatically switches the iron off when it is left unattended or tips over.

Double Active Calc System

Double Active Calc system of your Philips steam iron prevents scale build-up through anti scale pills and an easy to use calc clean function.
