- Pulse for better mixing and blending

**PHILIPS**

Blender  
280W 1.5 L Plastic Jar, with mill, 5 star serrated blade

HR2108/06

## Highlights

### Serrated 5star blade

The newly designed blade will blend and cut the ingredients effectively and make a perfect smoothie for you and your family.

### Comfortable thumb grip handle

New handle has a thumb grip position to hold and carry the jar easily.

### Multiple speeds

Blend at different speeds and to different degrees with a choice of setting.

### Mill

Use mill accessory to grind any hard ingredients like coffee beans, nuts and dried chili and peppers.

### Integrated power cord storage

Save space with the handy cord storage system under the housing of the blender.

### Pulse for mixing and blending

You can use "Pulse" mode to control blending degree and time conveniently.

### New spout design

New spout design will prevent leakage after pouring to the glass.

### Lock indicator

This simple and easily recognizable lock indicator will let you know when the appliance is ready to use with safety.

### All parts are dishwasher safe

All removable parts can be cleaned in the dishwasher.
